From the Dir of P W in Mysore
Letter no C 199 8 Dn 16 9-41
For sanction an estimate for Rs 4862/- for Cleaning of the Kalyani at Sravanabelagola

9) While forwarding the estimate for Rs 4,862/- for the removal of silt in the Kalyani at Sravana belagola, the D P W Solicits sanction to the estimate of a T P Grant of Rs 4,862/- from Govt. But the D C Hassan states that the people of the Local Units are agreeable to Contribute Rs 500/- Each of which he has now Rs 500 out of Rs 2000/- three years ago sanctioned for the improvement of Irrigation Works. Thus taking for granted that the Mysore Dept would sanction the Units' Contribution of Rs 500/-, the aggregate amount would be Rs 1,500.

The D C therefore solicits sanction for the balance amount of Rs (4862 - 1500) = 3,362/- for the work in question.

As the file forwarded by the DC of the D P W Officer, it is for orders whether the D P W may be requested to state the exact amount for which Govt Grant has been solicited.

Subject Removal of silt in the Kalyani at Sravanabelagola

In forwarding herewith a copy of D O letter No 710 dated 30-8-1941 from the Sanitary Engineer on the above subject, I have the honour to state as follows -

The Sanitary Engineer having intimated that the approximate cost of baling out water, in the first instance, from the Kalyani would be about Rs 2000/- it was thought that the baling could be done within Rs 1500/- and accordingly a sum of Rs 500/- was paid out of the Municipal funds of Sravanabelagola and Rs 500/- out of the Town Improvement grant of Rs 2000/- placed at my disposal for 40-41 towards the improvement works to minor Municipalities The balance of Rs 500/- was proposed to be paid out of the funds of the Sri Jain Mutt at the place Sri Swamiji having agreed to the payment of Rs 500/- out of the Mutt funds, a reference has been made to the Muzrai Commissioner for according necessary sanction to the same and the matter is under correspondence

The Sanitary Engineer has since intimated that the baling alone would cost Rs 1800/- and has stated that the estimated cost of baling and clearing the silt would be Rs 4862/- including $12\frac{1}{2}$% of tools and plant charges The balance of amount required to make up the estimated cost for the entire work would be (Rs 4862-1500) i e , Rs 3,362/- As no additional funds could be made available either by Municipal or Mutt funds, I was contemplating treatment of the silt with some

some chemical xxx at a cost not exceeding Rs 500/- and w s in correspondence with the Sanitary Engineer In the meanwhile, the Minister for Local Self Government who visited Sravanabelagola recently, promised to consider the giving of a special grant to cover the removal of silt I request you to kindly obtain sanction of Government to a grant of Rs 3,302/- out of the Town Improvement grants for the current year for this work The estimate is said to have been submitted to the Director of Public Health by the Sanitary Engineer

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.

D O No 710 dated 30-8-41 from the Sanitary Engineer in Mysore, Bangalore, t the Deputy Commissioner, Hassan District

Re Removal of silt at Sravanabelagola

I am given to understand that the Minister for Local Self Gov-rnment expressed an opinion during his recent inspection that the complete estimate for the removal of silt and cleaning of the Kalyani at Sravanabelagola would be sanctioned giving necessary Government grant, and under the circumstances, I have submitted the estimate for the full amount to the Director of Public Health for sanction In this connection, I request you to kindly let me know if Government have been approached by you in the matter of providing the necessary funds for the work in order to enable me to take necessary further action regarding the completion of the same
